Albert Busy Beavers Held Achievement Day June 3

Albert Busy Beaver WI Girls' Club reached another milestone when they held their Achievement Day at Albert School, Wednesday, June 3. A nice crowd was present to see the work the girls had done through the year and to enjoy the programme they put on.

The Girls' Club President, Miss Evelyn Hardy, welcomed the audience, then the girls entertained with songs, recitations and piano solos and singing some of the action songs they do at their club meetings. This year they had a public speaking contest choosing as their topics things they have learned in the Girls' Club — Good Grooming, International Peace Garden and Why Join Girls' Club and one girl told about her Pet Cat.

After this, everyone looked over the girls' work then sat down to a delicious lunch served by the Buffalo Coulee WI.

When everyone's hunger had been well satisfied, Miss Evelyn Hardy capably thanked everyone.

Weekly Inspirational Corner

(Sponsored by an Irma Times reader)

For as the Father raiseth up the dead, and quickeneth them; even so the Son quickeneth whom He will.

For the Father judgeth no man, but hath committed all judgment unto the Son:

That all men should honour the Son, even as they honour the Father. He that honoureth not the Son, he honoureth not the Father, which hath sent Him.

Verily, verily, I say unto you, He that heareth my word, and believeth on Him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life.

Verily, verily, I say unto you, The hour is coming, and now is, when the dead shall hear the voice of the Son of God, and they that hear shall live. — St. John 5:21-25.

We understand that Mrs. A. D. Glasgow will also be attending Band Clinic next week.

Wainwright Manager Promoted To New Position at Calgary

The appointment of John E. M. Jones as manager of the Bank of Montreal's Wainwright office has been announced by the bank. Mr. Jones comes to Wainwright from the 5th street west office of the B. of M. in Calgary, where he was assistant manager. He succeeds Dave Iverach, who has been named senior special representative in the superintendent's department, Calgary.

Mr. Jones joined the bank in 1934 at Saskatoon and he has since served in several branches in Alberta and Saskatchewan, including those at Kamusaw, Moose Jaw, Melville, Red Deer and Bentley.

He also served in a number of posts in Calgary, including that of a credit officer in the superintendent's department.

In 1937, he became manager of the 5th street west branch, which he now leaves.

An active member of the community, Mr. Jones has been an organizer of minor hockey, and was a vice-president of the Calgary Naval Officers Association and an executive member of the Southern Alberta Navy League.

During World War Two, he served with the Royal Canadian Navy, commanding minesweeping and anti-submarine vessels in the Atlantic. He retired from the Navy as a lieutenant.

Married, with three children, Mr. Jones will move to Wainwright next month.

Dave Iverach leaves Wainwright after three years and returns in his new capacity to the superintendent's department in Calgary, where he was a credit officer from 1948-50.

Miss Edythe Guldraa is on vacation this week and the next.

Board of Trade MEETING Tuesday, July 14th Legion Hall, 8 p.m.

It is imperative that all interested parties be at this Meeting.

Little League Baseball

On Sunday, June 21st, a group of our sports-minded citizens of Irma took our two Little League Ball Clubs to Czar Lake for a couple of exhibition games against the unbeaten Hughenden team and an all-star team from Highway 13.

In the first game the Irma Board of Trade walloped the highly touted Hughenden team to the tune of 24 to 11.

The second game was a hard-fought one in which the Irma Elks edged the All Stars 5-4 behind the outstanding pitching of Eddie Savard and steady team fielding.

Two eleven-year-olds, Henry Fenton catcher, and Jerry Owens second baseman of the Irma Elks, were signed on to play in the Provincial play-offs with the Hughenden All Stars. Nice going, boys!

In Irma on Tuesday, 23rd of this week, the league-leading Irma Elks play host to the last place Wainwright Elks No. 2 team and the 2nd place Irma Board of Trade play the 3rd place Wainwright Legion in the first games of the Battle River Little League. The two winners will play off on Friday, June 26 to determine a winner for Section B. The final sectional games will be played on the 3rd, 7th and 10th of July in Wainwright.

Come out and support our future ball players.

Former Citizens Celebrate 40th Wedding Anniversary

Mr. and Mrs. E. W. Carter are really enjoying life as their friends gathered to help them celebrate their 40th wedding anniversary.

Mr. and Mrs. E. W. Carter, Wainwright, celebrated their fortieth wedding anniversary June 7 at their home, 717 Main St., by having an "Open House" to their family and friends.

The rooms were tastefully decorated by bouquets of flowers in appropriate tones of ruby and white. The bride's table was laid with extra lace cloth and cent with a tiered wedding cake, flanked by tapers.

Mr. and Mrs. Carter, looking very much the happy bride and groom, had the pleasure of the company of their four sons, Clarence, Allison, Ernest and Colin, all of Edmonton, also their wives, and families, for the day.

In the evening many friends gathered to offer their congratulations and wish them many more years of wedded happiness. Among these were Rev. J. R. Geeson, United Church minister at Irma from 1928-35.

Many lovely gifts and flowers were received from relatives and friends, among them being matched floor and table lamps from their family.

Relatives who celebrated with them were: Mr. and Mrs. Clarence Carter, John and Jeanne;

WITH THE District Agriculturist

By J. S. Duncan

A Reminder

Applications for field inspection of seed crops must be in before the end of June if you are to be sure of getting your fields inspected. Application forms are available at this office and when completed should be mailed to Plant Products Division, Department of Agriculture, Federal Building, Edmonton.

Use Chemicals With Care

Chemicals for weed control can be a great help, but if used carelessly can cause trouble. One place where great care is needed is when using 2,4-D to control Dandelions in lawns. Most trees and shrubs and flowers are also susceptible to 2,4-D and often the wind may drift enough of the vapour to cause trouble. With proper care and by following the direction on the chemical container this chemical can be used to advantage but be sure to be careful.

Schools of Agriculture and Home Economics

High school will soon be out and many graduates will be wondering what to do next. A year at one of the Provincial Schools of Agriculture and Home Economics may be the answer. The training at these schools is good, much of it being practical work. The dormitory life and extra curricular activities are valuable. If a student is short a few credits for university entrance, these may be obtained at the schools. For full information and application forms, write to the Principal, Provincial School of Agriculture and Home Economics at either Vermilion or Olds.

Haying for Quality

It may seem too early to talk about haying but in many cases the best value of feed is lost by leaving it too long before cutting it. Stock do as well or better on a smaller quantity of good quality feed than they will on more poor feed. Cut legumes such as Alfalfa and Clover just when they are starting to bloom in order to get best quality.

Department store sales in Canada in 1958 increased by 4.7 per cent over 1957 to an all-time high of \$4,341,466,000.

Missionary Convention Here This Week

A large number of interesting and unusual curios, plus a wide variety of colored pictures, has attracted a great deal of attention in the annual missionary convention which Rev. E. Ellison, missionary on furlough from Cambodia, is at present conducting in the Christian and Missionary Alliance Churches in Irma and Viking. Rev. Ellison, brought up as a child on the Cambodian field by his missionary parents, takes one to the very heart of this colorful land. His viewers tread softly with him through the Buddhist temple with all its strange customs and carvings, follow the hopeless funeral procession of a yellow-robed priest, catch a glimpse of the soul flag, which in horror at the sight of the hideous Hindu gods, thrill at the lasting smile of the Christian native, and stand in awe at the feet of the ancient 'Ea' king—the largest church edifice in the world. They can see and actually touch the cured bodies of the centipede, the tau-tau lizard that "barks" at night, the curious fishing baskets used in the rice fields, the sacred urn for ashes of the dead, the cocoon of the silk worm, the products of the Cambodian silversmiths, the inch-high Chinese teacups, and dozens of other unusual curios.

In addition to this, the services will hold a special highlight in the Sunday meetings. Rev. Ellison will conduct a youth choir, attired in eleven different costumes which he has brought with him, and singing in the Cambodian tongue some of the Christian hymns.

The final meetings on the convention will be held in Irma on Friday and Saturday evenings at 8 p.m. and on Sunday at 10:30 (Sunday School) and 8 p.m. A special meeting will be held in the Viking Anglican Hall at 3 p.m.

Bring all your personal credit needs under one roof

with a low-cost B of M life-insured loan

There's no better, sounder, more convenient way to finance your purchases for your home and family than the new Bank of Montreal Family Finance Plan. With it, you can plan your purchases and meet unexpected opportunities and emergencies under one single comprehensive plan.

Read these four good reasons why — whether married or single — you should use the B of M's Family Finance Plan. See if they don't add up to better living for you and your family.

- 1 All loans are automatically life-insured. Should you die before your loan is repaid, your debt to the Bank will be cancelled.
- 2 Monthly repayments can be extended up to two years — or even three, if need be. This means that FFP can be tailored to suit any salary.
- 3 You can borrow up to \$5,000, depending on your income, to buy the things you want for your home and family, or to meet emergencies.
- 4 Planned repayments help you run your income — instead of letting it run you.

Almost any reasonable purpose may be financed through the Bank of Montreal Family Finance Plan — including vacation, school and college expenses and so on. The Bank of Montreal will gladly advance the necessary cash as long as you can afford repayments without hardship.

Whether you are a B of M customer or not, this modern low-cost way to get the things you want for your home and family is available to you. Why not talk to the people at your neighbourhood B of M branch today?
